INTERPRETING ART TO INFILTRATE INTERNATIONAL SMUGGLING RING

(1) First, buy a gay beret. Throw a sleeper and (2) hold your right hand as if you were holding a fruity bottled water. (3) Lift the string over your left hand through the bottle-hole. (4) Reach over your thumb with the loop of string, grab the hanging string, and (5) pull it up through the loop of sting around your left fingers. (6) Hook your right fingers behind the dangling string and (7) reveal the picture of the Eiffel Tower to prove you're a true snail-sucking bitch.
